THE PLAYERS

JP REYNOLDS

JP Reynolds is an innovative artist, rapper and songwriter with an eclectic sound. The creator of *rap gumbo*, his music is a soulfully modern blend of hip-hop, neo-soul, jazz, funk, gospel and R&B. His shows, comprised of moving, familiar-feeling original music, take audiences on an incredible journey.

FULL BIO

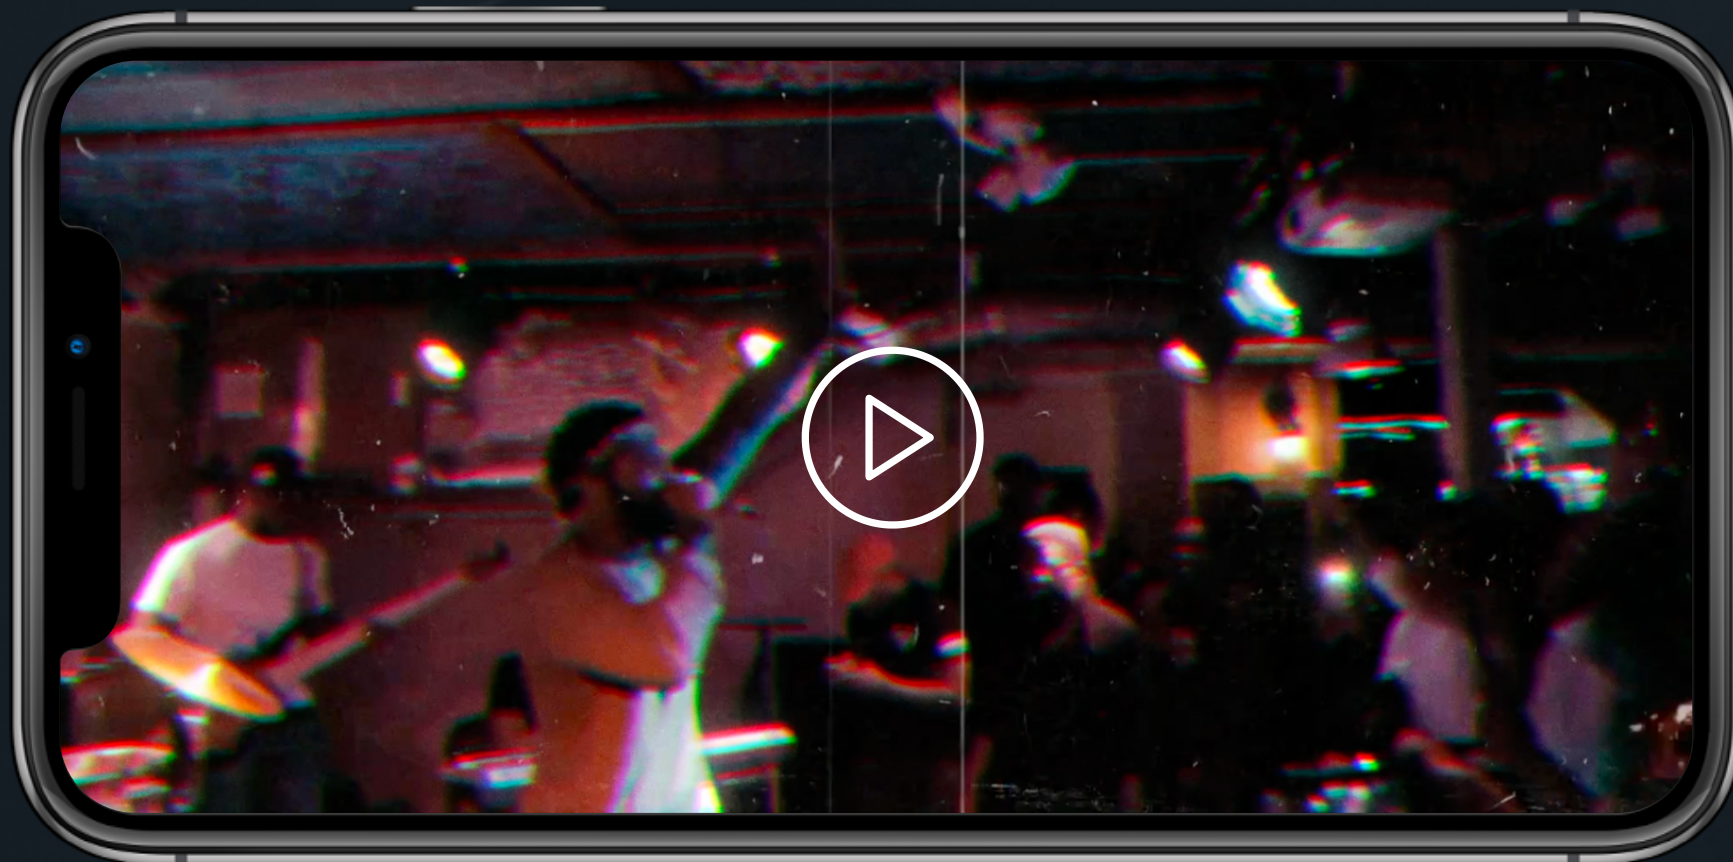

THE PEACE AND POWER BAND

Together, JP Reynolds and The Peace and Power Band perform music that feels vintage and futuristic at the same time. The band performs most frequently as a 4-piece ensemble (bass, drums, keys, guitar), and has performed with as few as 3 pieces and as many as 13 pieces.
